

Social Accountability Policy

Agro One is committed to providing a safe and fair work environment for its employees and non-Company personnel. To achieve this, Agro One has put in place a comprehensive Social Accountability Management System that is based on the SA8000:2014 standard and applicable national laws, other regulations, and social accountability requirements of its valued business partners.

The Company also integrate its concerns into its organizational culture and enforces best practices to ensure that the Company meets and exceeds its social accountability objectives.

Additionally, Agro One is committed to continually reviewing and updating its Social Accountability Management System to reflect the latest best practices and regulatory requirements.
